- [Link to Evening & other events at CCMS/HS](#)
- [Link to district 2023-24 family calendar](#)

## What's New

#WeAreClearCreek

Students and parents,

The Winter sports season is nearly over, which means that Spring sports are just around the corner. With that comes all of the end-of-the-year activities. Before we start thinking about the Spring, here are some things going on in the next few weeks.

## Immunization Information

The letters below are from the Colorado Department of Public Health & Environment regarding immunization rates for CCCMS/HS. Any questions can be sent directly to our district nurse ([emily.leak@ccsdre1.org](mailto:emily.leak@ccsdre1.org)).

## Open House & Registration for SY24-25

While we might not be ready to discuss all of the Spring events, it's not too early to think about the 2024-25 school year. We will hold our Open House at CCMS/HS on Thursday 3/7/24. Students and parents are encouraged to hear about the courses being offered and more about our school redesign. Below are links to information on the Open House and registration with the district for next school year.

- [Open House](#)

## Athletic Fun at CCMS/HS

We have a number of fun sporting opportunities coming up as we get to the end of February and into March.

- [Dinking for the dance](#) - This is a pickleball fundraiser on 2/24/24 for students and adults to support the 2025 Prom.
- [Esports](#) - This is a CCHS team, sanctioned by CHSAA for competition with other schools in Colorado.
- [MS Baseball](#) - All CCMS baseball lovers are invited to compete against other schools.
- [Golf](#) - We are starting up a new club for both CCHS girls and boys. This will not be a CHSAA sport, but should be a lot of fun.

## BAAC Meeting

There will be a Building Accountability Advisory Meeting on Monday 2/26/24 at 4:30 in Room B210. All parents are invited to attend either in-person or virtually.

# What's Hot

## Celebrations at Clear Creek

- CCHS had 20 students apply for Warren Tech programs. We wish those students the best of luck as they go through the Jeffco system.

# Community Partners

- **Mountain Youth Network/TREK:** MYN has a couple of events coming up for students with information linked below.
  - [Snow Tubing](#)
  - [SNOBAHN TRIP MYN](#)
- **After School Enrichment:** Please check out the after school clubs being offered this semester starting on 1/29/24.
